LOCAL GOVERNMENT ORDINARY ELECTION EARLY ENROLMENT INFORMATION

Ordinary Election

For the upcoming 2023 Local Government Ordinary Election there are three vacancies, with the following Councillors' terms expiring:

Cr Gary Cosgrove
Cr Justin Bagley
Cr Hellene McTaggart
Cr Carol Farr

Should more nominations be received than the available positions, the Shire will be holding an in-person election on Saturday, 21 October 2023. Although considered an in-person election, voters may place an early vote or apply for a postal vote (more information to follow in the lead up to the election, once nominations have been received).

Enrolments

You may be eligible to be enrolled to vote in the local government ordinary election on Saturday 21 October 2023 if you are an owner and/or occupier of rateable property in the Shire of Mingenev.

Residents

You are automatically enrolled to vote if you are on the State Electoral Roll as at 5.00 pm on Friday, 1 September 2023 (close of enrolments). If you are not already on the State Electoral Roll and meet the eligibility criteria, or if you have changed address recently, you must complete an enrolment form.

**To check your enrolment status please visit
www.elections.wa.gov.au/onlineEnrolmentSystem**

**To enroll to vote
www.elections.wa.gov.au/enrol/enrol-vote**

Non-Resident Owners and Occupiers

All residents in a local government district who are enrolled on the State Electoral Roll are automatically enrolled on the corresponding local government roll. People who reside outside of the Shire but own property in the Shire or occupy property within the local government but are not enrolled for that property on the State Electoral Roll can apply to their local government to be included on the roll as an owner/occupier, as long as they are eligible electors. A body corporate may apply to have up to two eligible nominees to be included on the owner/occupier roll.

All eligible electors are allowed to vote once in any district for which they are enrolled. If a person lives within one district and owns or occupies property in a different district, then they may be entitled to a vote in both areas provided they are enrolled for those addresses. To obtain further information or to enroll as an owner/occupier, contact the Shire or visit our website at <https://mingenev.wa.gov.au/elections/>.

Please contact the Shire office on (08) 99281102 or email governance@mingenev.wa.gov.au to check your eligibility for the Owners and Occupiers Roll, to obtain enrolments forms or for any other Election enquiries.

New Legislation and Regulations

As part of the Local Government Act reforms, new legislation has been passed to introduce an optional preferential voting (OPV) system for local government elections. What this means is that a candidate must receive more than half the votes to win. Under OPV if no candidate receives more than 50% of first preferences, the candidate with the least number of votes is excluded and the preferences are distributed to the remaining candidates. This process is repeated until a candidate has enough votes to be elected. If you choose to rank the candidates in order of your preference, this system ensures your vote still has power, even if your favourite candidate does not win in the first round. Of course, because this is optional preferential voting, you have the option to choose just to place a 1 next to one candidate and not number every candidate — it's up to you. More information will be made available to electors in the lead up to the 2023 Local Government elections.

Mingenew Netball Club – Weekly Wrap Up

A Grade
MI 56 vs CA/PJ 30

On Saturday 15th July Mingeneu hosted Carnamah/Perenjori at home for the Sponsors, Life Members and MIFC Premiership Reunion Day.

After the recent bye, we were keen to get back on the court as a tight unit and implement points that we have been working on at training.

From the first whistle we all played strong. Our leads were intense, our passes were direct, and our hands over the ball were incredible.

The defensive pressure all over the court was a clear team joint effort!

We stood tall when the contest was getting tight, we never dropped our heads and kept applying pressure all over the court which gave us turnover, and the goalies worked well together and rewarded the team for their efforts.

The final whistle was heard, and we came away with the win.

Thanks to Hayley Criddle for being our support on the sideline.

GAME 6: MORAWA V MINGENEW

SENIORS - MINGENEW 2, MORAWA 0

A very well-deserved win this week for the senior hockey team. Numbers were light with lots of players away this week. We went into the game with no subs and a zest to have a great game and prove that even without a rest we could do this. It did mean a bit of fancy on field subbing but the team were outstanding at backing up, on point passing and smart hockey. A very proud captain/coach game for me. With so many away and all 3 full backs on the field we had to mix up our positions and a big shout out to Bec K and Georgia for slotting into the inners and running your legs off all game. Carine was anywhere and everywhere and really pushed the position of centre-forward into another level. Our wings Claire and Tilly had great positioning and were fast down those sidelines. Hard to catch and great to watch. Pip wasn't missing any big hits this week and was hard for anyone to get past. Kudos to our half backs and the job they do because after two five-minute runs on the half back I felt like a yoyo or a dodgy old spring gate. Not the position for this old duck, however for a young spring chook like Sally it was a walk in the park. She was fierce in halfback this week and she paid homage to a skill she learnt from one of our sneakiest past players Clara Eaton. Before the ball could get to Bec D and I it had to get past the extremely skilled and smart plays of Anna. A hard act to follow. Our ever-fabulous goalie Bec D had a big week and be forgiven for asking for her gear to be collected from the shed only to realise upon a phone call that she already had it. We'll let her fines go because she's just so darn good in those goals. Last but not least our every week fall backs Campbell and Simon. Without these two lads giving us all a breather we would be lost. You are both playing great hockey and I'm super impressed with your improving skills each game. Thanks for a great game gals and lads. You really did yourselves proud.

JUNIORS - MINGENEW 5, MORAWA 0

A great win for our mini dogs this week. Also a great learning game for our younger players. We started with some different positions going into the game and with the game in our favour I carried on this way. We were able to give the Year 4's a good run in some new spots and give our worn out captain Tilly and Vice Captain Campbell a rest and time to watch the others do their thing. There was some great passing and calling and we will continue to work on positioning. If everyone can have a good read through their positions paperwork that I have sent out and work on learning where they should be for a few different positions. Great work team!

MINGENEW HOCKEY CLUB

GAME 10: MINGENEW V CARNAMAH/PERENJORI

SENIORS - MINGENEW 4, CARNAMAH/PERENJORI 1

Sorry for the bit of hiatus in reports gang. Sometimes life gets in the way of a good yarn.

I'm delighted to say that this yarn is one of a winning captain/ coach. What an outstanding game! We were 10 players down this week but man did we come together to put on a show. School holidays meant Kaden Michael could play his first senior game with us and boy did the lad shine. Kaden's work on the inner was a sight to behold. He was all over the ball but also all over the team work. His calls were spot on and always heard. His placement, short passes and feeder balls were on the money. He opened the whole game up and worked so well with the other forwards and backs. Thank you so much Kaden for helping us out and making for such an enjoyable game.

This week we saw the return of the much missed Kayla and Monique. These two haven't been able to play since early round one and man did they make up for their time away. Both gals locked away a goal apiece. Kayla is a natural hockey player. She has fab skills and a mean hit and reads play so well. It is no surprise that this week you take out our Players Player Award and we hope that the fire for hockey stays ignited and you can get back for some more games (Alex make it happen). Monique this week decided to add a little extra drama to her return but getting a ball to the eyebrow off her own stick. We don't often see blood on our field but we did on Saturday. Thanks to one of our on field nurses Anna and also our very welcome ambos Steph and Phil for patching her up. We thought that was it for our young recruit from Piawanning but after a stint in the ambulance and a little rest she was back at it requesting her spot back (much to the delight of her captain whose lungs had definitely had enough of their time at centre forward.). Back on the field she threw herself back into the game securing a goal and playing some fab hockey.

While this is all going on our newest recruit who hasn't picked up a stick in some time was showing us that once you've played hockey it never leaves you. Meg's welcome to the team was a ¾ stint on the wing where she ran her guts out, did some great moves and locked in her first goal. Welcome Meg and yes we'll definitely let you play some more.

Then there was Lilly, our 2IC goalie who rolls in like she's been there a million times before. She has the lingo down pat now and a loud voice of encouragement. After her 67 short corners two weeks ago she may have complained to her captain in the last quarter that she was a little bit board to which she was told to hush and not jinx it. Thank you so much Lilly.

What were the rest of us up to you ask? Well with the above crew doing amazing things you'd be thinking we were all sitting around drinking cups of tea but you'd be very wrong. We two were showing our finest skills and fitness. The backs were as they always are, staunch in defence and fighting to stop goals and keep our breathe. We played 2 down while Anna was fixing Monique and man did the whole team lift to the occasion. Once Anna was back on deck I headed forward determined to get a goal and aim to survive as long as possible without need of the defib machine. No goal for me but man I enjoyed a bit of how the other half live. Really good fun and some

awesome play up there from the team. Basically, at the end of each quarter all I could say to the team was WOW what outstanding work. Dig deep and keep it up! Everyone not just those listed above had awesome games. Aimee was on fire, Tilly and Marika ran and ran and ran and helps with each and every goal. Anna and Sally were their usual 'you're not getting past me' team. We were delighted to see Zac rock up after footy to give everyone a little rest and so Sally could continue to watch from the sideline which she said was the best way to see how good a game it was. Thanks Zac for filling in. Also thanks to Carnamah. It was such a nice fun game. Lots of laughs and great play from both teams. Shout out to Jess whose goalie skills leave us all bewildered.

I've left this one till last but only because I want to rave about her as this week's Captains Award winner. Pip every week you play your heart out. You run back and forward like a yoyo and just keep digging in and getting it done. This week was no exception. Balls were not getting past you and when they did you were back on them quick as a flash. You were up front to feed them straight back in and you and Kaden played so well together it was so great to watch. Congratulations on your award and keep giving it your all.

JUNIORS - MINGENEW 2, CARNAMAH/PERENJORI 3

This week we had most of our core team, with 5 away on holidays. We had Zac and Blair fill in for us which was wonderful to have some of our older players return.

Our team backed each other up when tackling and we were always moving for the ball when a free hit was being taken and there were lots of voices and calling. Our tackling and hunger for the ball was very good this week. We only let three balls get past the defenders and James which is great work. Our centre field worked well getting around their players to assist the ball carrier. There was always a square pass ready if needed.

Our goals scorers were Blair and Luke.

Our well deserving coaches award went to Willem. He did amazing in defence and did so many good tackles.

Our players player Blair, came back and played for us whilst on school holidays. He played an amazing game in attack and defence and scored himself a goal.

Great team effort Mini Dogs!
