# youth activities JULY Holidays

During the July School Holidays the CRC Team organised 3 wonderful creative workshops as a part of our Youth Activities Program for 2023.

We had amazing attendance across all 3 workshops and enjoyed seeing all the happy smiling faces of our very creative kids!!

A big thank you to Laura - Jar of Arts and Emily - Platinum Dance, for coming down to Mingenev. We really do appreciate organisations and businesses that come to our community to share their expertise with us.

Thank you to the Mingenev Painting Group for letting us join in on your art session at the Railway Station, especially thanks to Michelle and Sue for your assistance during kids paint and sip.

We are now organising activities for the October school holidays, if you have any workshop suggestions please let us know.

## kids paint & sip

Thank you to the Shire of Mingenev Community Assistance Grant for supporting our youth activities in 2023.

***Mingenew Netball Club – Weekly Wrap Up***

Date: 22nd July 2023

Grade: B Grade

Mingenew v Morawa

Final score Mingenev 39 – Morawa 16

Coaches Award- Shannah Kanny- Sponsored by Starick Transport

Players Player- Madi George- Sponsored by Mingenev IGA

After a fortnight off, we started a bit rusty, which was to be expected!

A fair few turnovers with footwork issues this week- so going to work hard on trying to fix this before our double header next weekend!

All round though, the team fought hard the entire game to refine and improve their skills and to try and reduce their errors and as a coach that's all I ask!

Players player went to Madi this week- Madi had the super hard task of playing 3 different positions. Madi is always super positive and motivated for us to all do our best.

Coaches award went to Shan- Shan is SOOOOO reliable in defence and the play and turnovers she creates are sensational.

We have yet another weekend off due to regional champs in Geraldton. But will come back strong for our double header the following weekend.

Coach, Roz

**It was the start of the last round against Morawa and the girls started the game pumped and eager to take on the top of the ladder tigers.**

**We looked strong and united in the first half with all players executing our game plan to perfection and the score line showed the results we wanted to see for our hard work.**

**As fatigue started to set in by the fourth quarter our old habits started to show and we only managed to score 2 goals in the last quarter and that blew the score line out to a 13 goal loss for us, which was such a shame as the result didn't reflect the game that we had just played.**

**I am very happy and proud of this team and how far they have come since the first game, they are so willing to keep fighting and working for the results they deserve and the improvement among them as a team striving for that final win at the end of the season is so very evident and very achievable.**

**The major positive that we can take away from this game is now the belief installed in the girls and the proof of knowing they can achieve their goal if we play 4 quarters of netball.**

**Really looking forward to playing the bombers next week after the bye for Geraldton regionals.**
