On Saturday the 5th of August Mingeneu took on Three Springs. Following a 1 goal loss to the bombers in the previous round, the girls were hungry for a win. We started hard and fast, gaining an early lead in the game. Our team work, pressure and strong leads were evident across the court. The defensive pressure that all the girls showed resulted in turnovers across the court and the scoreboard reflected our efforts. We went into our halftime break in the lead.

The second half wasn't as smooth for the girls. Three Springs came out fighting, matching our intensity on the court. As fatigue started to set in, Three Springs got the upper hand on us and took over the lead coming into the 4th quarter.

The last quarter proved difficult for us with some added defensive height from the Three Springs girls which grew their lead. The game finished up with Mingeneu going down by 5 goals.

We fought to the end and never gave up. All of the girls played an excellent game and although we lost, we certainly have the skills and fight in us to win. We look forward to taking on Dongara this weekend. Keep going girls.

What a game! We had 9 ladies for this game & certainly ready to rumble. We had worked hard as a team at training on Thursday and knew at the tail end of the round, we would need to go out strong.

These girls fired on all cylinders and worked seamlessly together. This game was an absolute pleasure to watch!

We scored our highest amount of goals for the season with 60 goals- not bad for a 60 minute game (& with the opposition getting 23 goals in also)

Players player award to Jodie- she's so tough and just goes and goes and goes and is absolutely dynamic at feeding the 3 goalies.

Coaches award to Tarsh- Tarsh has only ever really played in defence for the bulldogs and this year decided to take on a shooting/attack role as we only had 1 shooter on our team at that point. Now we are blessed to have 3 ripper shooters who rotate and work beautifully. We are very grateful Tarsh!

Highs and lows of sport- how we have felt them this weekend.

Today's game we knew would be a ripper- coming up against a very handy Coorow side, and them sitting 2nd on the ladder, we knew it would be a hotly contested game.

End of first quarter we were 12 a piece!! Neck and neck!!!

Our 2nd and 3rd quarter we tried hard, but had a few too many turnovers which were a result from the heat, fatigue and some unforced errors.

At the ¾ break, we decided to shake it all off, chuck a HEAP of positivity into the wind and boy did we find our bulldog spirit again for the last quarter scoring 12 goals to their 6.

Mingenew v Dongara

Final score Mingenev 44 – Dongara 24

Coaches Award- Madi George- Sponsored by Starick Transport

Players Player- Jacinta Spencer - Sponsored by Mingenev IGA

Coming off our loss last week against Coorow, and now down to 8 players for the next couple of games, our girls had fire in their bellies and ready to play!!

We started a bit out of whack, with some fatigue evident, some players trying new positions and us all adjusting to our teams new structure.

Dongara to their credit came out super strong and wanting to give us a run for our money and also wanting to secure their 3rd spot on the ladder.

We were only 1 up after the first quarter and only 2 goals up at half time. The pressure was on..... BUT these girls are just SOOOOO calm, poised and ready for anything. Truly their positive energy, their love and support for each other is what lifts them up and they always go and go and go and give their best to the very end.

We made yet again more changes in the 3rd quarter and they started to pay off! Madi had a great run in Centre and Tarsh & Kayla got their eyes in, giving us a 9 goal lead going into the last. Our defence of Antje, Shannah and Jacinta did a superb job of shutting down their attack and Dongara only scored 4 goals for this quarter.

After a 15 minute break for Tilly after her 2 games of hockey, she got a bit of a pump/rev/spray from her coach/mother about rolling her shoulders back and putting the best display on for not me, not her but the team of girls that know how she can play.

And play they did! We put the accelerator on and blew the lead out to a 17 goal quarter between Tilly and Tarsh, with our terrific feeders in our ever reliable work horse Brookie, and Madi having a great crack in WA.

Players player went to Jacinta today who played the best game I've seen! She was always present, stuck to her player like glue, and reoffered for the ball all the time. Well done!

Coaches award went to Madi- Madi is a total utility player who constantly gives her all and smiles and agrees with me when I change her positioning sometimes every quarter- like I did today! Her ability to give her all in all the different positions is a credit to her! Great Job Madi.

We unfortunately have lost Jodie from our team for 2023 season, hopefully not forever as she was just finding her love and passion for the game! We wish you well Jodie with your surgery on Tuesday to repair your ACL, ligaments and your fractures!

This was our last game for the rounds! Bring on Finals!!!! These ladies truly are the most adaptable, resilient, strong, positive, beautiful girls that I'm PRIVILEGED and PROUD to call the B grade team for 2023. I absolutely love them all!!

We took on Dongara this weekend after a narrow loss that really hurt us against Three Springs.

The girls had fire in their bellies for the win to give us the confidence boost to see a score line that matches the netball we are playing.

We came out in the first quarter playing as a united front and our whole team played the beautiful strong game plan that we have been working on all season, resulting in a 10 goal lead at the first break.

We continued on grinding it out with a very determined Dongara side and by half time our lead had increased to 16.

Our second half consolidated the team as we started to find the aggressive game that we were up against enabled us to play our very structured disciplined game. Instructions for the girls to keep our game short and our feet on the ground saw the girls extend their very healthy lead winning by 27 goals with no injuries.

This is an absolute credit to the girls and is proof of just how many turnovers we achieve in a game and with our conversion on point it gave us a much-needed confidence boost that we are in good stead to convert our previous losses into wins where it counts.

It was such a team effort with every player doing the job assigned for their position it is so very hard to pick out individuals for awards.

I gave my award to Bron who is executing to perfection the timing of the very hard task allotted to her.

Alex received Player's award and is proof to her team mates of what guts, determination and drive can achieve for the team.

Well done ladies we have one more game to finish the round at Carnamah where we will work on the little areas that need tweaking, but together we are exactly where we need to be for finals.
