Mingenew Netball Club – Weekly Wrap Up

Date: 17/5/2025

Grade: A

Mingenew v Dongara

47-22

Grandfinal rematch against Dongara The girls took to the court with so much grit and determination this week. They kept their heads up and stayed disciplined against a tough team who challenged them physically

across the court for a full 60 minutes.

They made me a happy and proud coach by sticking to their game plan and not succumbing to the fast paced, aggressive game played by their opponents. While also keeping up the talk and celebrating the little and big wins each other had across the court.

A grade now has a couple of weeks break with a bye this week and the June long weekend following that.

Mi VS DO
45 MI 22 DO

Today's game of netball was the epitome of what we have been working so hard on at training. The clean intercepts, the foot off the player, the 3 feet and not over committing. Most of all the girls did it with a smile!
Smiles Britt :)

Players player went 4 ways today and for a very good reason these 4 girls did everything I asked and played their hearts out!
Sponsored by Village grocer goes to Laura, Clare Tara and Nomes.

Coaches Award

Was a very tricky one today! You did everything I asked of you and more. Your 3 feet and clean intercepts. Keep being the best pest on the court.
sponsored by starick transport That's goes to Laura.

MI VS CA/PJ
42 MI 38 CA/PJ

Roos were definitely a strong competition today and a lot of contacts across the court. Today wasn't one the tidiest games of netball we have played but we got the job done. We had a lot of unforced errors and we took the first half of the game to get out of our heads and lift together as a team.
The second half was a much better game of netball and the girls started playing our game and having some fun.
Well fought out game right to the very end. Well done girls!
Smiles Britt :)

This girl played hard today and kept her head high and lifted her team mates when it mattered and that goes to Clare.

Coaches Award

Sponsored by Starick Transport
Today this girl showed some real grit and determination she had clean outside arm. She kept her cool with a tough opposition and that goes to Jacinta.

Mingenew Netball Club – Weekly Wrap Up

Date: 17/05/2025

Grade: D Grade

Mingenew v Dongara

D grade had another tough game this week against Dongara with the final score being 7-9. All players played really well and have improved a lot since the first game. There was a lot of turnovers made down both ends of the court whether it was at the attacking or the defensive end resulting in goals. Jelena Campbell was awarded coaches award for shooting really well, listening to feedback and moving and working well with the other goalies. The players player was close votes but Pippa McTaggart received the award for moving and passing really well while playing C and moving the ball down the court and controlling the game.

Mingenew v Carnamah/Perenjori

D Grade had a great game against Carnamah/Perenjori this week and only going down by 2 goals in the last quarter, final score was 7-9. The game was very strong and competitive from both teams. All players played extremely well and listened to feedback after last weeks game. Kora Spencer received coaches award for moving around her player and defending really well while playing WD, aswell as always listening to feedback. Nick Ward was awarded players player for making alot of turnovers and sticking tight on his player while playing GK, he has improved a lot on all aspects of his game.

Nippers (Junior) Football update vs Ca/Pj Loss to Ca/Pj

A great effort yesterday for our little mini dogs going down to Ca/pj. Taking the scoreboard out of the equation we had as much of the play if not more. The defensive pressure we put on all around the ground was very impressive and made Ca/pj earn every possession.

Our backline all played very well holding tight with a breakout game by Caleb Ward looking like he had played for years taking pressure marks and making great decisions coming out of the backline. Simon Cosgrove and Nick Ward worked hard with Alexis Lucken and Pippa McTaggart trying hard also. The biggest positive was the teamwork and being accountable of a player.

A best passage of play of the day was a chain of kicks from half back started by Rhys Kupsch kicking the ball to Caleb Ward, who kicked it onto Oliver Bagley, who kicked it on to Willem Samuel who kicked a goal. The ball didn't hit the ground and was great decision making by all 4 of them. It's times like that you can just smile as a coach.

This weeks awards went to-

Agwest Machinery Best Player- Caleb Ward (was fantastic at reading the ball and using the ball across half back for a young player)

Courtney Keeffe Elders Real Estate Coaches award- Oscar McTaggart (played in 3 different positions including in the middle where he followed instructions and was always in good positions on the ground)

Coaches encouragement award- Oliver Bagley (in our best link up of play for the day and is improving with "See ball, get ball" every week"

Thanks to Hans Samuel for goal umpiring and Braden and Kirsty Bagley for taking the jumpers to clean.

With a bye this week we will be having Wednesday off training. So enjoy your week off and will see you next week.
